3. Bid form addition: line item #7 - Remove & reinstall brick pavers in front of 563 Main Street in order to complete storm sewer installation.
4. Bid form addition: line items # 50 & 52 - painted crosswalk markings. The base bid shall include **both** methods of marking the crosswalks (thermoplastic vs paint).
5. All asphalt milling material shall become the property of the contractor and shall be removed from the work site and disposed of properly.
6. Preliminary Construction Sequence: Primary goal is to achieve the least disruption to existing business as much as possible.
  - a. Work shall begin with the extension of the storm sewer in front of 563 Main Street and progress to 631 Main Street. Substantial completion should be obtained prior to demolishing additional areas.
7. Electric
  - a. Contractor shall provide 100% of the conduit.
  - b. Electric PVC lines shall NOT be concrete encased.
8. Work hours shall be 7am to 7pm. The City may extend the evening hours if needed.
9. Water vault at 600 Main shall NOT be demolished and shall remain in place.
10. Paving shall begin at the existing patch at the intersection of N Ridge Street and Main Street.

11. Potential Staging Areas for Contractor use

- a. Grass lot at the northeast corner of Spring Street and Floyd Street
- b. Grass lot next to the White Mill on Memorial Drive.
- c. All staging areas shall be restored to original condition after project completion.

12. Solex Architecture (641 Main Street) has indicted that they may want to renovate their concrete/brick patio area. The City will put the Contractor in touch with the owner, but any performed work shall not be a part of this contract.

All other specifications remain the same.
